

Cone of Silence

Illusion (Glamour)

Level: Dev 4

Components:

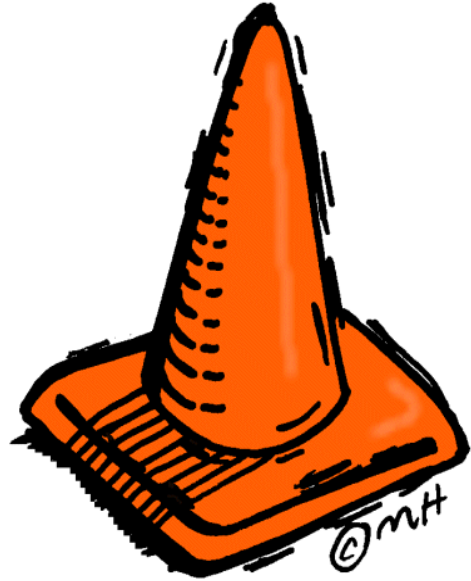

Orange Street Cone

Casting Time: 1 round

Range: Personal

Area: 5-ft radius emanation centered on desk

Duration: 1 hour/level

By casting *cone of silence* a developer manipulates sound waves in their immediate vicinity so that no one is able to converse normally with them (and interrupt them). Anyone entering this zone immediately becomes subject to its effects, but those who leave are no longer affected.
